Re: *Pratt vs. Lynch*  
Civil Action No. 6:15-cv-6765-FPG

To the Hon. Frank P. Geraci, Jr.:

I acknowledge receipt of Mr. Swinton's Motion to Dismiss (dated March 25, 2016), and write to update the Court of my conversation today with him.

First, as a small note. The Motion to Dismiss was filed and is detailed as a "Motion to Dismiss." The indication on the first page of the Notice of Motion that uses "summary judgment" in its language is a typographical error.

According to Local Rule 7(b)(2)(B), my answer would be due April 8, 2016. Mr. Swinton graciously agreed to my request for a one-week extension of that date to April 15, 2016. My request is to allow proper communication with the coplaintiffs and to allow for the possibility of a cross-motion. Will you please approve this extension?

Thank you for your considerations.

Respectfully,

  
Paloma A. Capanna
